## Float Dimensions:

All parade entries will not exceed the maximum allowable specifications as set out by the Traffic Safety Act. In all cases, float dimensions must be able to safely negotiate the route of the parade including the- 90° turns required along the parade route.

Maximum Height – 4.15 m (13.5 feet)

Maximum Length – 12 m (41 feet) single vehicle or 21 m (71 feet) articulated vehicle.

Maximum Width –3 m (10 feet)

## Drivers:

Drivers play an important role in any type of entry and carry a number of important responsibilities. They should be selected accordingly and made aware of this prior to the parade. All drivers will have a valid driver's license that is specific to the vehicle they are driving (class 1, 3, 5 etc.) Drivers need to ensure all aspects of their float are in good working order. Drivers must have a 180° view from their position at all times.

We ask that drivers know the official name of the entry for which they are driving. For safety reasons, drivers of a motorized entry are NOT allowed to distribute candy or any other materials during the parade, their full attention must be on the parade.

## Candy and giveaways distribution:

Individuals walking alongside the float may hand these items out. If you will be handing out candy or other giveaways from your float, please provide enough people to ensure that the parade is not delayed.

## Parade Assembly

Parade check-in and marshalling will begin at 8:00 AM at Spruce Grove composite High School (one lane only) Access will be from the South entrance of the schools parking lot.

## Music

Entries are encouraged to incorporate music; this will make for a much more interesting parade and will draw more attention to your entry. We ask that music be kept to a reasonable sound level while in the parade and that all music is family appropriate.
